FRAGILITY

What were you discussing on the way?

The encounter between the disciples and Jesus begins with Jesus listening to the disciples' concerns.

- 1- When we go to Mass, do we put aside our worries and concerns? Or do we entrust them to Jesus? What frailties do we entrust to Jesus? What do we say to Jesus when he asks, "What were you discussing on the way?"

- 2- In our daily lives, as a couple or as a team, how do we listen to others, to our spouse, to team members?
Do we take our cue from Jesus to be better listeners?
